

DEA will be accepting resumes for Intelligence Research Specialist, GS-0132-09 positions. The appointment will be to an Excepted Service appointment that does not confer eligibility to be noncompetitively converted to a career-conditional or career appointment in the competitive service. Resumes will be accepted from **April 04, 2016 to April 18, 2016**.

1. Applicants must meet the following requirement:

Expert knowledge and specialized experience with national and international law enforcement and/or intelligence community agencies; regular and recurring contact with intelligence organizations; experience obtaining intelligence data and evaluating it; and specialized knowledge of drug intelligence.

2. Applicant must also meet **one** of the following requirements:

A. A highly technical state-of-the-art skills associated with computer engineering, systems engineering, and computer science in order to perform and manage highly sensitive and technical special projects; **OR**

B. A Foreign language aptitude with proof of certification from an independent outside source with at least a satisfactory professional proficiency level or higher in the areas of reading, writing and comprehension.

3. Additional Requirements:

- Must be a U.S. Citizen.
- Must be able to obtain and maintain a Top Secret Security Clearance.
- Males born after 12-31-59 must be registered for Selective Service.
- Background and/or Security Investigation and polygraph required.
- Successful completion of Basic Intelligence Research Specialist training required.
- Mobility Agreement required.
- Occasional travel, domestically and internationally.
- Drug testing designated position.

4. Candidates that meet the qualification requirements may be referred to complete an in-person, test battery (Logic-Based Reasoning Assessment, Mathematics Assessment, and a Writing Assessment). Only those candidates who successfully pass all three of the assessments may be referred to complete an in-person panel interview. Only the names of those candidates who pass the panel interview will be sent to the hiring official for employment consideration.
5. The assessments are designed to collect relevant information on your eligibility, training and experience related to this position as well as your knowledge, skills, and abilities/competencies in Attention to Detail, Flexibility, Reasoning, Teamwork, Written Communication, and Oral Communication.
6. If you meet these requirements, please submit your resume, foreign language certification (if applicable), and any other supporting documents as instructed below:
